Webinar
Timings

Speakers
Timings

07:00 – 07:10

Introduction

07:10 – 07:45

07:10 – 07:45

K

Title: Bio cementation Of Soils as A Sustainable Soil Improvement Technique

Rafaela Cardoso, University of Lisbon, Portugal.

07:45 – 08:20

15:45 – 16:20

K

Title: Challenges and Strategies of Labour Cost Management in Construction Project Management

Mohd Saidin Misnan, Universiti Teknologi Malaysia, Malaysia.

08:20 – 08:55

17:20 – 17:55

K

Title: Lateral Buckling Behaviour of Continuous Braced H-Shaped Beams Subjected to Cyclic Load In Partial Frame Loading Test

Yoshihiro Kimura, Tohoku University, Japan.

08:55 – 09:30

11:55 – 12:30

K

Title: Smart Garment's 5G Wearable Antenna

Wee Fwen Hoon, Universiti Malaysia Perlis, Malaysia.

09:30 – 10:05

15:00 – 15:35

K

Title: Environmental Engineering by Stereolithographic Additive Manufacturing

Seongwoo Woo, Ethiopian Technical University, Ethiopia.

10:05 – 10:40

15:35 – 16:10

K

Title: Construction Delay Analysis using Fuzzy Expert System - A case study of Hyderabad Construction Industry

GOPAL Naik M, Osmania University, India.

10:40 – 11:15

13:40 – 14:15

K

Title: Ground Improvement by Granular Pile Anchors

Eswara Reddy Orekanti, Mohan Babu University, India.

11:15 – 11:50

20:15 – 20:50

K

Title: Environmental Engineering by Stereolithographic Additive Manufacturing

Soshu Kirihara, Osaka University, Japan.

11:50 – 12:25 06:50 – 07:25 K

Title: Developing a Ford Model T like approach for universal new technology for residential buildings

Mark Bomberg, Clarkson University, USA.

12:25 – 12:45 17:55 – 18:20 I

Title: Digital Transformation and Coping with it for India

C J Jagadeesha, Scientist / Engineer SE ISRO-NRSC-RRSC, India.

12:45 – 12:55 E-Poster Presentation

Title: MODIS-NDVI (2001-2020) Response to Natural Factors and Engineering Activities Along Railway in Sichuan-Tibet Region

Jingxiao Zhang, Chang'an University, China.

12:55 – 13:05 E-Poster Presentation

Title: Reused Building Materials – Review of Features and Supporting Tools

Bogumila Kapica, Gdansk University of Technology, Poland.

Closing Ceremony
